Summary

I am a present minded, empathy driven, UX design student looking to utilize my design skills and technical knowledge to enhance user's interaction with products. I am focused on being present in the now, but taking into account past experiences and future possibilities.

Experience

StartUp Communication Lead

Responsible for updating all participants about information related to the event. Participate in coordination of event.

SCAD | 2020 - Present

The Rookies Draft Selection

Nominated as a top entry for product design category and awarded a draft selection badge. Received a Rank A certificate for being inside of the top 7% of the 3769 entries for the Rookies 2020.

HCI | Mar - May 2020

StartUp

Students compete in week-long design sprint. We are challenged to create a concept based on a specific theme. Each team presents their final deliverables in the form of a pitch to a panel of industry leading professionals that serve as mock investors.

SCAD | Feb 2020

Hardcode Foam Core

Designed and built an exoskeleton with articulated wings with foam-core in 2 weeks. Worked on a team of seven students.

IDUS | Oct 2019

Fluxathon

Designed and created an application to help users with fears of traveling. Focused on providing contacts for travel companions, crime level maps, and detailed information on locations.

SCAD | Oct 2019

Volunteer Activities

Present: SCAD Lacrosse Team Manager

Puget Sound Goat Rescue

Middle School Lacrosse Coach

National Charity League - Served on Board as Communications Director and Secretary. Performed over 200 hours of community service.

2013 - Present
